

5th ANNUAL
FAMILY
CONFERENCE

July 29 - August 1, 2011

Doubletree Hotel,
Berkeley Marina

“This conference is a lifeboat for my child and my family. Each year she becomes more comfortable with who she is, we learn more and more, and we are reminded that we are not alone.”

GENDER 
Spectrum

A unique gathering dedicated solely to the needs of transgender and gender nonconforming children and teens, their families and loved ones, and the community of professionals and allies who surround them. Along with a variety of workshops for adults, the weekend includes engaging programming for Teens 13-15 and 16-19, Tweens 9-12, and Kids 5-8. Whether a five time attendee or a brand new member of the Gender Spectrum community, the 2011 event will have something for everyone!

Please contact us if you are interested in receiving conference information, submitting a workshop proposal, sponsoring or advertising, or otherwise being involved in this inspiring event.
